

Is Customer Onboarding Automation Right for You?

Can you check all the boxes on Setuply's AI-powered, onboarding fit assessment checklist?

A B2B tech company or service provider

The average customer onboarding is 60+ days

The onboarding backlog is 2+ weeks

10+ concurrent onboardings at a time

Manual or spreadsheet-driven processes for client onboarding

A successful transition from a brand-new client into a brand advocate is critical to your mission.

Setuply's comprehensive customer onboarding solutions scale onboarding, accelerate monetization, and drive long-term success.
