Spreadsheet-driven onboarding
does not scale

Welcome our new client! How much longer do we wait?)

Limited Process Visibility

Where are we?

Fill out these 50 pages of forms...

Lack of Flexibility

Poor Insight into Timeline & Costs

Let's get onboarded!

Mmm... Personal data... Email me your SSN...

Risky Access to Data

Client Backlog

setuply

A successful transition from a brand-new client into a brand advocate is critical to your company's mission. Setuply's comprehensive onboarding solution reduces implementation costs and drives long-term success.
